Dr. I. Guy Lewis, Fulton, Ark., says:

"After a practice of twenty-five years, I proclaim
TUTT'S PILLS the best anti-billous medicine ever TUTT'S PILLS.

J. W. Tibbeits, Dacota, Minn. says:
"Am using DR. TUTT'S PILLS, and am having better health than I have had in thirty years." TUTT'S PILLS. I have had Liver-Disease twenty years. TUTT'S

PILLS have entirely cured me."

Rev. R. F. Osgood, New York, says:

"I have had Dyspensia, Weak Stomach, and Nervonsness. I never had any medicine to do me so much good as TUTT'S PILLS. They are as good as represented." TUTT'S PILLS.

R. S. Anstin, Springfield, Mass., says:
"For thirty years I have been troubled with Piles,
(ostiveness, and Kidney-Disease, TUTT'S PILLS
have brought me out all right." TUTT'S PILLS.

Dr. M. D. Shively, Yorktown, Ind., says:
"I use TUTT'S PILLS in my practice, and find them to be all they are represented." TUTT'S PILLS. M. K. Key, Old Town, Ark., says:
"TUTT'S PHLLS are the best I ever sold. I think seen I will not be able to handle any other pill."

TUTT'S PILLS. et. M. W. Graham, Lawrenceville, Ga., says:
"My case (Torpid Liver) has baffled the skill of hysicians for fifteen years. I can safely say that I'TT'S PHLES have done me more good than all her medicines combined."

TUTT'S PILLS. Alemethy & Williams, Newton, N. C., write:

We never sold a medicine that gives such general satisfaction as TUTT'S PILLS. The demand 25 CENTS. SOLD BY ALL DRUGGISTS. [my 7-eodtFe19]

IMMIGRATION.

PROGRESS MADE BY THE GENERAL IMMI-GRATION AGENT SINCE THE PASSAGE OF THE LAW BY THE GENERAL ASSEMBLY, &C. &C.

The General Assembly at its last session passed an act establishing a Bureau of Im-migration in this city. The following is acters.

abroad that would be likely to seek a home city prices. in Virginia. When this is done I expect every way possible, and seeking to arrange modes and plans by which these people may be induced to come to Virginia and settle. Already I am in receipt of many inquiries from the North, Northwest, and also from the West and South, asking for information such as the "Regis-

result. Take the counties of Augusta, Orange, Nansemond, Amelia, Nottoway, ing to this a reasonable proportion for personal property brought in or bought by new settlers, we should have the amount of \$3,-730,000, which, added to the other, would make \$14,930,000. This capital has been brought in by the purchase of 100,000 acres. have registered now about 250,000 acres, and am registering every day. Allowing one half per acre on this that the lands sold brought, and you will have \$1,750,000 added to the working capital of the State.

have not sufficient capital to work the excess of lands they now hold. You see, then, that much can be accomplished by this enterprise; and I am sure, with the continued efforts of the railroad companies now sustaining the Bureau, and others who will, and the assistance of the press, much will be done.

provided it can be disposed of; for those

selling are not selling to leave the State, ex-

cept in rare instances, but because they

2. I have been able to make but two tours through the country-one through the counties of Chesterfield, Amelia, Nottoway, and Dinwiddie, and the other through Hanover, Louisa, Orange, Albemarle, and Augusta (in part). In all these the wheat was more promising than it has been for several years, except Louisa, Orange, and Albemarle. In these it was very much thinned by the freezing weather last winter. Tobacco had been but partly planted. A good season occurred about the 19th instant, and I suppose was made use of. I do not think a large crop is being projected, and but little merchantable fertilizers purchased for it.

It was too early to judge of corn. I regret to say that I saw many fields as late as the 10th of June which had not been touched by plow or hoe since the corn was plant-Spring oats look better than they have done for several years. Winter oats generally small, killed, and, in many places, plowed up. Grass not very rank, but in arger quantity than usual, and orchardgrass, especially on rich land, yielding well. This grass will certainly yield well if the land is rich enough to produce it. It is rapidly increasing in popularity.

more hopeful. Real estate has touched moting a vigorous and healthy growth of hair. bottom, I think, and economy and industry have, even with low prices, enabled our people to hold their own pretty well. I have more faith in the energy and self-denial of our Virginia young men, and young women, too, than some who write about them. I wish the farmers would use more forethought than some fields would indithe turning plow, when, it it is put in proper tilth before the corn is planted, such plow is not only not needed, but does damage to the land, and leaves it in the worst condition for the small grain to follow. Hard licks, and many of them, the successful farmer has to make, but let every one be made with judgment and Yours truly,

RICHARD IRBY, General Agent.

POLICE COURT, SATURDAY .- The Court met about 10 o'clock and disposed of the following cases: Philip Brown, charged with being drunk

and disorderly and creating a disturbance on the street. Let off. A. W. Garber, charged with violating the city ordinance by allowing one of drivers-W. Jackson-to drive in a careless manner and run against and injure the horse of T. P. Turner. Fined \$10.

E. L. flobson, charged with the same offence. Dismissed. W. B. Cook, charged with depositing ashes in alley on Eighth street between Main and Franklin streets, causing water to run on the premises of R. Wendenburg shore, would cultivate a taste for astronomy, two months ago, which disabled him from and John Scott and cause a nuisance. Al-

how grand and uninterrupted would be filling that office, the Board adjourned to ley ordered to be cleaned. Frank Halstead alias Murphy alias Hilton, charged with stealing a horse, valued at \$60, from Samuel Halstead, of Chesterfield county. Continued to Wednesday morning.

Alice Hart, charged with abusing, cursing, and threatening to beat Philip Brown, Fined \$5. Edward Gilman, charged with being drunk and unable to take care of himself.

Ordered to leave the city. Thomas Starke, charged with having in his possession six chickens, supposed to Not long after the General himself discovered, in a winter coat which had been continued to the coat which had been coat which had been stolen. Case continued; according to the coat which had been coat which had been coat which had been stolen. Case continued; according to the coat which had been coat whi

WANTED, for school above, a MUSIC-TEACH-au 1-5t

RICHMOND FEMALE INSTITUTE.

This institution, which for twenty-five years has enjoyed a liberal share of patronage not only from Virginia, but from other southern States, presents advantages for the education of girls and joung ladies which can scarcely be surpassed. It is located in Richmond, Va., which is a city of rare beauty and healthfulness, and noted for the refinement and hospitality as well as the moral and religious tone of its ociety. The buildings and grounds cest some \$60,000. They are spacious and convenient, and in every respect adapted to a school of high order. ADVANTAGES.

Under the control of the Board of Trustees, the institution will be conducted by the following able OFFICERS AND TEACHERS: B. JETER, D. D., President of Board of Trus-MISS SALLIE B. HAMNER (Principal), Latin. MISS SALLIE B. HAMNER (Principal), Latin,
Moral Philosophy, and Literature;
Professor CHARLES H. WINSTON, M. A., Natural
Sciences and Mathema les;
Miss L. T. THURSTON (full graduate of Vassar Collexe). German. Mathematics, and History;
Madame C. Gulllaume (native of France), French
Miss Susie C. Hamner, Principal of Preparatory
School;

School:
Miss Nellie Dustman, Musical Director and Teacher of Instrumental M sic and Vocalization;
Miss S. C. Hamner, Guitar: Miss ALICIA H. LAIRD, Drawing and Painting; Miss L. T. THURSTON, Calisthenics; Miss F. W. WALKER, Home Department.

COURSE OF STUDY. The course of study is varied and extensive. The curriculum is so arranged that the student may be assigned to classes suited to her preparation, or advanced according to her apitude to learn or success in acquirements. Love of truth is inculcated as the great motive for study; but, as an additional stimulus, Gold Medals are offered for proficiency in certain departments of learning essential to the complete and elegant culture of a lady.

SESSION.

SESSION. The next session will begin on the 22p OF SEP-TEMBER and close on the 22d of June, 1880. It is very desirable that all pupils be present a the opering of the session, that they may be assign-

ed to their proper classes. EXPENSES. The charges for the session, payable quarterly in advance, are as follows:
